Celebration City Centre
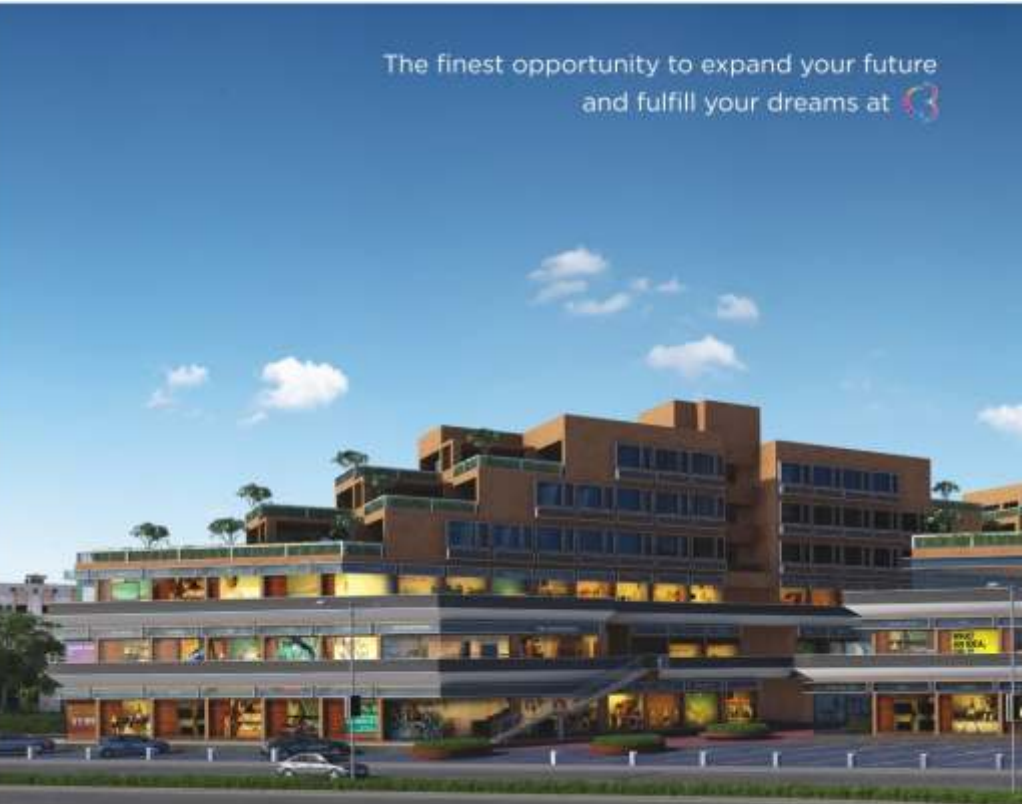

one for all

The finest opportunity to expand your future
and fulfill your dreams at

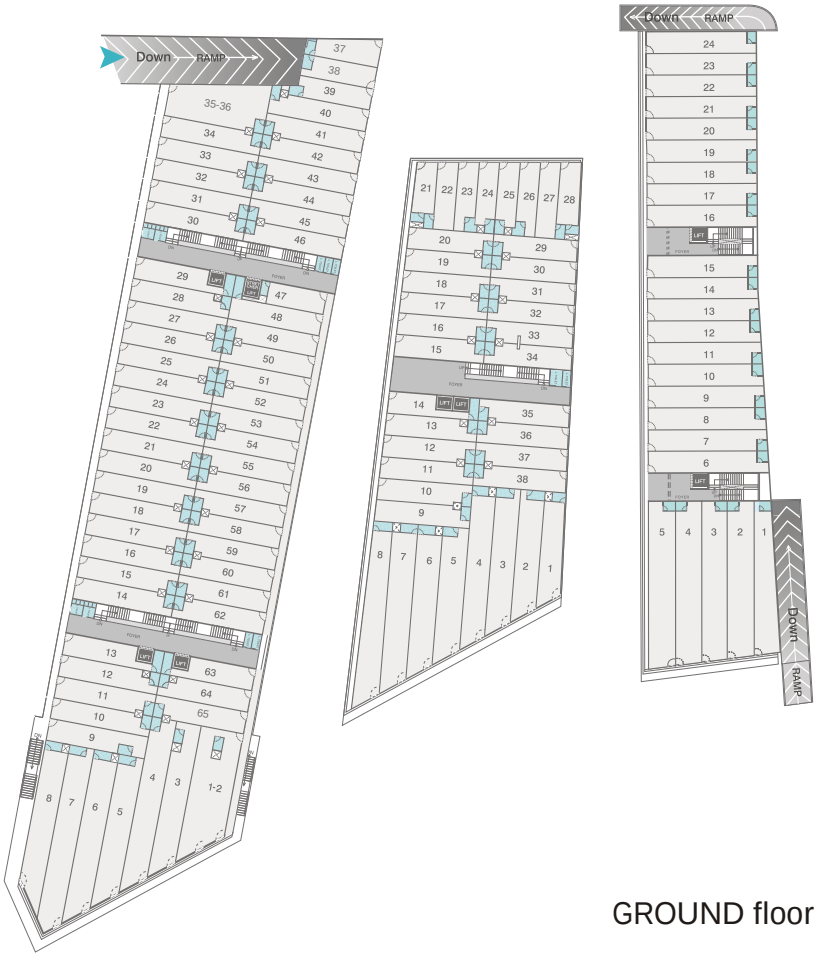

The C3 (Celebration City Centre) project is a **retail** and **corporate hub,** situated in the middle of south bopal. Advantageously, it is densely surrounded by residential projects, thus offering a large range of business opportunities – from over 2000 families.

The elevation has been designed in such a way that it gives all the offices as well as showrooms the advantage of a full roadside frontage, for maximum footfalls. The green surrounding and terrace offices add value and new dimension to your business.

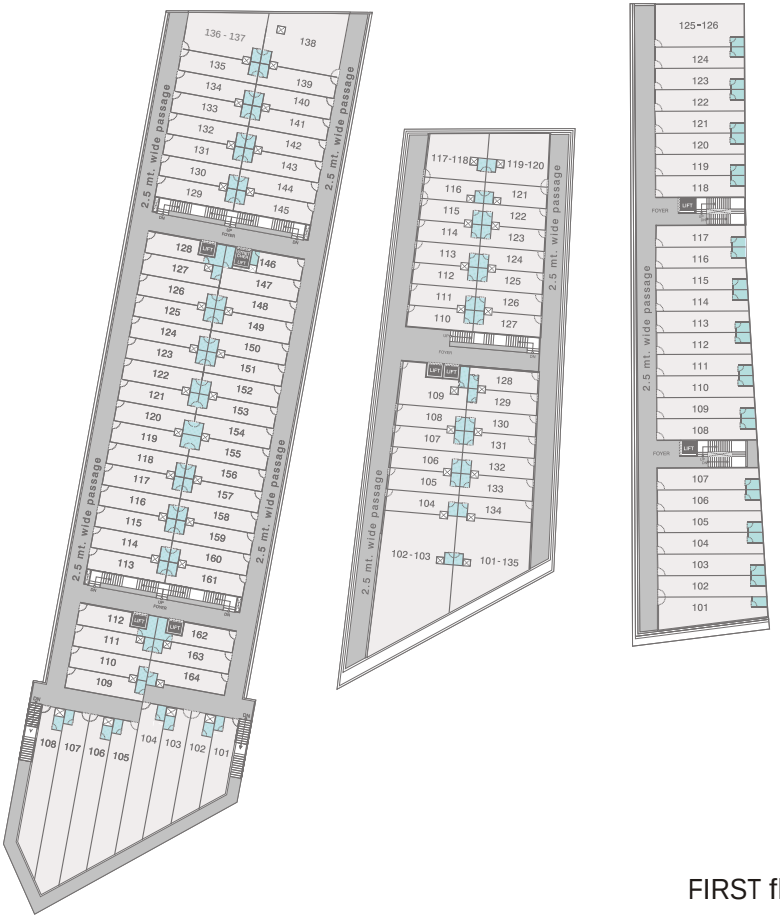

There is good connectivity with BRTS and it is just a 2 minutes drive from the SP ring road.
